THE HISTORY PROJECT

The History Project's mission is to research, document, restore, and preserve the history of Boston and Massachusetts' GLBT communities, and to share that information with GLBT organizations, individuals, allies, and the public.

We research, document, and present this history in order to help Boston and Massachusetts' GLBT communities explore and understand who we are, to find out how we got here, to discover our social and historical contributions, and to highlight the unique role that Massachusetts has played and continues to play in these communities.

To this end, The History Project (THP) participates in dozens of events each year, regularly collaborating with organizations as diverse as Historic New England, Beth Israel Deaconess Medical Center, the American Historical Association, the Boston Athenaeum, and the Boston Alliance of GLBT Youth (BAGLY).

THP maintains an extensive archives of GLBT history, which we share with the public through exhibitions, research services, and presentations for community and corporate groups.

THE HISTORYMAKER AWARD

The HistoryMaker Award has been presented annually since 2009 to an individual or organization whose lifetime achievements have had a significant and positive effect on Boston and Massachusetts' GLBT communities. Past recipients of this award include Congressman Barney Frank and the *Gay Community News* Collective. The History Project is pleased to announce that the 2011 recipient of the HistoryMaker Award is **Mary L. Bonauto**, Civil Rights Project Director at Gay & Lesbian Advocates & Defenders (GLAD).

THE LAVENDER RHINO AWARD

The Lavender Rhino Award is presented annually to an emerging activist or organization in the Boston area. The 2011 recipient is **Maggie Cee** – artist, activist, dancer, educator, and the founder and artistic director of The Femme Show.
